News 3 new results for EPA

[EPA to review fuel-economy data for Ford Fusion, C-Max hybrids](#)
[Los Angeles Times](#)
Earlier this year, the EPA tested multiple Hyundai and Kia models that had become the focus of consumer complaints about fuel-economy ratings, and ordered changes to the labels. The agency said Hyundai and Kia overstated the fuel economy on more than ...

[The EPA and December 7th: A date that will live in infamy](#)
[Washington Times](#)
CHICAGO, December 7, 2012 — December 7, 2009 is a date that will live in infamy. Not in memory of the attack on Pearl Harbor, but the day the Environmental Protection Agency (EPA) declared carbon dioxide to be a pollutant under the Clean Air Act.

[Pavillion driller blasts EPA contamination findings](#)
[WyoFile](#)
The Environmental Protection Agency collects groundwater samples in Pavillion, WY, in January 2010. The EPA released a draft report earlier this year linking hydraulic fracturing to groundwater contamination in the town. Encana Co., the main driller in ...
